# iLearn

iLearn is SF State's learning management system, where instructors can organize their courses and materials and students can efficiently interact with resources and participate in classes.
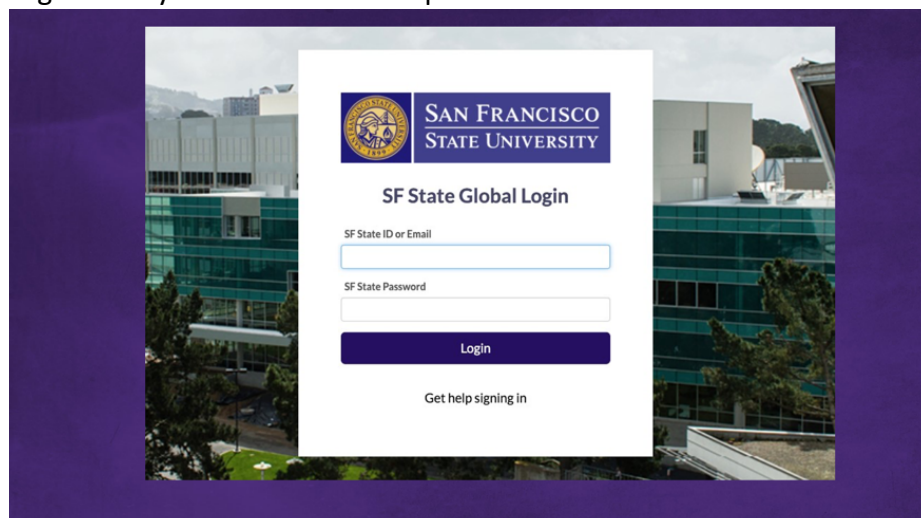

What will you do on iLearn?

- Click Zoom link for your classes
- Post in forums
- Download course documents
- Submit assignments
- Take tests

How to Access to iLearn:

1. Visit ilearn.sfsu.edu and Click to log in

2. Log in with your SF State ID and password

3. Once the semester begins, you will find your classes under 'My Courses'

To access courses in iLearn, navigate to https://ilearn.sfsu.edu and click on the **Click to log in** button. You will be taken to the campus login page where you can log in using your SF State credentials like you do for campus email and other services. Classes are listed in the **My Courses** block on the left side of the page.
